*Celebrating*  
**107**  
**YEARS**

1919-2026

From Louisiana swamplands to the heart of Fort Edmonton Park, the journey of **Locomotive 107** is one of passion, grit, and pure prairie spirit. Spearheaded by steam train enthusiast **Bill Graham**, the locomotive's path to the park was anything but easy. Every track laid, every bolt turned, and every log burned was a labour of love — not just for trains, but for Edmonton's history.

Today, Locomotive 107, 1919 Baldwin Steam Engine and Train still pulls carriages full of laughing children, curious tourists, and lifelong residents. It's not just a relic — it's a **living legacy**.

***“If you treat a steam locomotive well... it will work its heart out for you.”***

# ABOUT THE FORT EDMONTON FOUNDATION

The Fort Edmonton Foundation is an Edmonton charity founded in 1969 by Rotarians, business leaders, and passionate community members. The goal was to help preserve the history of Edmonton by rebuilding the original Fort Edmonton and creating a living history museum in the river valley.

For over fifty-seven years, the Fort Edmonton Foundation has enabled Fort Edmonton Park to be built and expanded to encompass the fur trade era, 1885 Street, 1905 Street, and 1920 Street. Most recently, Fort Edmonton Park underwent a three-year enhancement project with funding from all levels of government and the Fort Edmonton Foundation. The Park reopened to the public in July of 2021 with the new Indigenous Peoples Experience, Front Entry Plaza and Guest Services Area, expanded 1920's-style Midway, and many other enhancements.

The Fort Edmonton Foundation is proud to have created the Fort Edmonton Foundation CARES (Creating Accessible Responsive Education for Sharing) initiative expanding accessibility of Fort Edmonton Park to all children, youth, schools, community groups, First Nations, Metis and other culturally diverse communities including those that may be experiencing social, economic, or geographic barriers.

Working in partnership with the City of Edmonton, the Fort Edmonton Foundation continues to celebrate our region's vivid, diverse history by fundraising to develop new projects and initiatives at Fort Edmonton Park.

Our Mission and Vision are in support of projects and initiatives that deliver a historically authentic experience in engaging and innovative ways.

## MISSION

Fort Edmonton Foundation raises capital, support, and awareness to preserve, enhance, and promote Fort Edmonton Park as a place where visitors can feel and experience the sights, sounds, smells, tastes, and textures of the Edmonton region's diverse history including Indigenous and pre-contact stories.

## VISION

Through philanthropy and community partnerships, Fort Edmonton Foundation supports capital projects, and outreach initiatives, to create an inclusive space where visitors can be inspired by the past, contextualize the present, and project their future.

*We work to ensure that the story of Edmonton's past is preserved for future generations.*
