Dear Friends and Partners,

The Fort Edmonton Foundation is pleased to invite you to our Fourth Annual Fort Edmonton Foundation Golf Classic. This event brings together community leaders and corporate partners to support the preservation of Edmonton's history.

To our returning golfers and partners, welcome back! To those joining us for the first time, we are delighted to have you.

This year's tournament returns to The Quarry Golf Course, featuring a Texas Scramble (18 hole) format, on-course experiences, prizes, and a hosted meal. Whether you are a seasoned golfer or new to the game, we invite you to join us for an impactful day outdoors.

Founded in 1969, the Fort Edmonton Foundation was created to rebuild the original Fort Edmonton. Today, we continue to work with partners to ensure Fort Edmonton Park reflects the diverse stories of our city. Through initiatives like Fort Edmonton Foundation CARES, we also help remove barriers so youth from all backgrounds can access educational and cultural experiences.

We invite you to go beyond the fairway. Beyond the Golf Classic, you can make a lasting impact by volunteering, joining a committee, becoming a donor or serving on our Board of Directors.

We hope you will join us for this memorable day and consider becoming part of the Fort Edmonton Foundation family. Thank you for your continued support in ensuring Edmonton's historical story inspires generations to come.

Warm regards,

ABOUT FORT EDMONTON FOUNDATION

DID YOU KNOW?

- The Fort Edmonton Foundation was established in 1969 by Rotary volunteers, with a mandate to preserve and share Edmonton's living history.
- Locomotive 107 is owned by the Fort Edmonton Foundation, made possible by the vision of Bill Graham, who rebuilt the engine and railway and began operations at Fort Edmonton Park in May 1978.
- Today, the steam train operates on the four-kilometre Edmonton Yukon & Pacific (EY&P) Railway, paying tribute to Edmonton's first railway and remaining one of the park's most iconic experiences.
- Thanks to community donations, the Fort Edmonton Foundation refurbished the Tom Thumb Mini Golf in 2023, revitalizing a beloved family attraction for future generations.
- Fort Edmonton Park is home to Edmonton's only outdoor Ferris wheel, offering guests a unique view of the river valley and park grounds.

The Fort Edmonton Foundation is an Edmonton charity founded in 1969 by Rotarians, business leaders, and passionate community members. Their goal was to help preserve the history of Edmonton by rebuilding the original Fort Edmonton and creating a living history museum in the river valley.

For over fifty-seven years, the Foundation has enabled Fort Edmonton Park to be built and expanded to encompass the fur trade era, 1885 Street, 1905 Street, and 1920 Street. Most recently, it underwent a three-year enhancement project with funding from all levels of government and the Fort Edmonton Foundation. The Park reopened to the public in July of 2021 with the new Indigenous Peoples Experience, Front Entry Plaza and Guest Services Area, expanded 1920's-style Midway, and many other enhancements.

In addition to capital projects, the Fort Edmonton Foundation created the Fort Edmonton Foundation CARES (Creating Accessible Responsive Education for Sharing) initiative expanding accessibility of Fort Edmonton Park to all children, youth, schools, community groups, First Nations, Metis and other culturally diverse communities that may be experiencing social, economic, or geographic barriers.

Working in partnership with the City of Edmonton, the Foundation continues to celebrate our region's vivid, diverse history by fundraising to develop capital projects and other initiatives at Fort Edmonton Park. We work to ensure that the story of Edmonton's past is preserved for future generations.

“What we give to future generations will help them understand where we come from and because of that, we will know where we are going.”

Honorary Chief Factor,
Councillor Aaron Paquette
